IMMACULATE CONCEPTION CES IN WOODBRIDGE IS OFFERING BOTH ENGLISH AND FRENCH IMMERSION CLASSES

In addition to its excellent English program, Immaculate Conception Catholic Elementary School offers an Early French Immersion program. The school is now accepting applications for its September 2012 regular English classes and for the Grade 1 French Immersion program.

French Immersion programs are designed to provide non-francophone children with a high degree of proficiency in the French language. While any exposure to a second language is beneficial, French Immersion broadens and deepens that exposure.

Students in grades JK to 3 residing 1.2 km beyond the school will receive transportation. As well, students in grades 4 to 8, who live beyond 1.6 km and live within the French Immersion transportation boundary will receive transportation. Students are required to walk a short distance to and from these centralized bus stops.

Transportation will be provided for siblings of students registered in the French Immersion program, effective September 2012. This busing privilege exists as long as one child in the family remains in the French Immersion program.
