

KINDERGARTEN REGISTRATION for the 2012-2013 School Year

- Begins January 9, 2012 -

LEARNING IN OUR CATHOLIC SCHOOLS

The Catholic school system provides a distinctive curriculum that integrates the teachings of Jesus Christ into all aspects of the curriculum. In partnership with the home and church, our schools support the faith development of children.

Student learning and faith development are at the heart of what we do. We provide high quality instruction and programs that enhance the spiritual, intellectual, physical, social and emotional development of all children. Activities in kindergarten classes are designed to lay a strong foundation for learning in the early years by developing skills in the areas of language, math, science, health, physical activity and the arts.

FULL-DAY/EVERY DAY KINDERGARTEN

Full-day/every day kindergarten began in September 2010 at a small number of Catholic schools across the Region. It will be expanded each year and the goal is to have it available in every school by 2015-16. Please check our Board website at www.ycdsb.ca for the names of the schools selected to offer the full-day program.

HIGH ACHIEVEMENT STANDARDS

Every year, students in publicly funded schools across the province write standardized tests. These test results show that our York Catholic students continue to be among the top performers in the province and continue to improve on their already high scores.
