### Meeting Details

The York Catholic District School Board is currently looking at accommodation options for students attending our Thornhill area Catholic elementary schools, including: St. Anthony, St. Michael Catholic Academy and St. Rene Goupil-St. Luke. The Thornhill Accommodation Review Committee (ARC) will hold Public Meeting #1 to present the reasons for creating an ARC, present the ARC's mandate and process, as well as present the issues to be addressed. There will also be the opportunity for the community to provide input on the ARC's Customized School Valuation Framework. The meeting will take the form of a short presentation, followed by the community being able to visit 4 different kiosks, with each kiosk representing a different Value in the School Valuation Framework. Members from each school of the ARC, as well as resource staff, will be available at each kiosk. Questions from the community will be recorded at each kiosk by members of the ARC. Comment forms will also be available for the community to submit to the ARC through various communication methods.

Please be assured that the School Board and the ARC are committed to maintaining the integrity of all educational programming for our Thornhill elementary students. The Board has not yet made any accommodation decisions and all decisions will be made with the full involvement of the school communities.
