

At the YCDSB, our Numeracy pillar focuses on enhancing the opportunities provided for York Catholic students from Kindergarten to Grade 12 to improve their problem-solving, reasoning and proving, reflecting, selecting tools and computational strategies, connecting, representing and communicating across all curriculum and subject areas.

Successful application of the mathematical literacy skills and achievement of the related curriculum expectations will empower all learners to be successful in the workplace and in daily life as effective communicators, reflective and creative thinkers and collaborative contributors.

Registration Instructions for Students

Step #1 - Go to the website:
www.homeworkhelp.ilc.org

Step #2 - Enter your **Username** and **Password**

- ❖ Students are encouraged to choose a Username that allows them to remain anonymous.

Step #3 - Select **Student** as the Type of User

- ❖ Teachers and Parents will choose "GUEST".

Step #4 - Enter and confirm **Date of Birth** and Ontario Education Number (OEN)
