Dear parents,

For the second year, Voila Learning is excited to be able to extend the *Online Homework Help in French* free of charge to ALL students registered in the York Catholic District School Board.

Last year, this program provided live homework help to thousands of French Immersion students across Ontario.

This coming school year, and thanks to the generous contribution from the **Ministry of Education and the Trillium Foundation**, all students from the YCDSB (York Catholic District School Board) can benefit from the help of a French teacher online **every Monday, Tuesday, Wednesday, and Thursday from 5 pm to 8pm.**
