POLICY TITLE: OUTDOOR ACTIVITY EQUIPMENT

SECTION A

1. PURPOSE

York Catholic District School Board recognizes that play and physical activity are essential aspects of a student's growth and development. Through play, students will develop physical fitness, motor control and social skills. The purpose of this policy is to support schools with the creation of an environment where each student can develop these skills through the safe use and installation of outdoor activity equipment.

2. POLICY STATEMENT

The York Catholic District School Board recognizes that appropriate outdoor activity equipment supports the physical, as well as the social growth and development of all students by providing opportunities to grow and learn together through supervised play and physical education programs.

3. PARAMETERS

- 3.1 Equipment proposed for installation on York Catholic District School premises, upon approval by the Board, shall become the property of the York Catholic District School Board.
