Volunteer Appreciation - Monday, June 17, 2019

The school and staff would like to thank all the parents, guardians and high school students who have volunteered over the past school year. Their generous donation of time has greatly helped support many facets of school life for our students, such as: the delivery of hot lunches and milk, accompanying field trips and assisting on class events like the Scientist in the School visits. The Catholic School Council members have helped raise funds to support and extend programming with trips, agendas, water filling station, teacher class supplies and the purchase of technology and agendas to mention a few items.

The school will hold a Volunteer Appreciation “Tea” on Monday, June 17, 2019 between 12:20 and 1:00 pm. Invitations will be going out soon. Please RSVP as soon as possible to help with ordering food.

Catholic School Council meeting

Wednesday, June 19th, 2019 @ 6:30 pm

Hold the date: BBQ Thursday, June 6 @ 5:00 pm

Thank you to the Catholic School Council for all your financial support this past year.

Luke 4:18 News

Luke 4:18 would like to thank you for your continuing support throughout the year. Some of our campaigns were awareness pieces and others were asking for financial support. We have about 45 members from Grades 4 to 8. We deepened the training and awareness the Buddy Benches this year and made sure that we would check in to see if any student was in need of a friend. We will continue developing the programme next year with financial help from the York Region Public Health and introduce more activities for recess.

Blessed Scalabrini is a "WE SCHOOL"

"WE Schools" is a unique, four-step program delivered by our educational partners in 12,300 schools and groups across North America and the UK, which challenges young people to identify the local and global issues that spark their passion and empowers them with the tools to take action. <https://www.we.org/we-schools/program/>

This past year our Luke 4:18 group has chosen to support the education pillar in a We Village in Nicaragua as our global issue. We have had many fundraisers. Some of the fundraisers were: Selling Halloweenies, Selling "Valentinis" and bracelets, and our annual Spring Raffle. We have raised **\$1900.71** and will be sending it to the We Charities to support our We Village.

As a We School we are required to support a local organization. We also supported **ShareLife** as our local cause. We had our Annual **ShareLife** Monkey Fling, a book sale and bracelet sale. We raised **\$1041.92** for **ShareLife** this year.

Luke 4:18 members are always willing to help others and speak up for those with no voices.

Our final campaign has been to collect dry and canned goods to send to Nunavut in the Canadian arctic through the St. Vincent de Paul Society "North of 60" project. Thank you for your donations.

On behalf of the school we would like to thank Ms. d'Eon, Ms. Hardy and the Luke 4:18 members for their hard work and dedication throughout the year. We would also like to thank the students and their families for supporting all of our initiatives over the past year.

Summer Active Travel Tips and Hints!

Summer is a great opportunity for your family to take a walk or cycle in your neighbourhood. It helps you and your family to get to know your neighbours, explore what's in your neighbourhood, as well as teach your children the rules of the road and how to practice safe road skills.

This summer take some time to go over safe road skills with your children and remember to also practice them with your children. Here are a few skills to go over:

Walking

1. Stay on the sidewalk. If there is no sidewalk, walk facing traffic, on the shoulder far from the road.
2. Watch for cars backing out of driveways.
3. **Stop, Look and Listen** before crossing the road.
4. Look both ways when crossing the street and use crosswalks where possible.
5. Stand back on the sidewalk until you are ready to cross.
6. Don't use electronic devices while walking (phones, iPads, games, headphones).
7. Obey crossing guards and signs posted.
8. **Be visible, be alert, be aware** of your surroundings.

Cycling

1. Wear a properly fitted helmet. Every cyclist under 18 years of age must wear a bike helmet.
2. **Air Brakes Chain** – Check your bike tires, brakes and chain before you start riding.
3. Ensure your bike has a working bell, white light or reflector at the front, and a red light or reflector at the back.
4. Cross at crosswalks, if there is one. Walk beside your bike when crossing the road.
5. Watch for cars backing out of driveways and turning at intersections.

When possible, walk or cycle as a family to the park, local swimming pool or store. Remember to stay hydrated by drinking plenty of water and practice sun safety – wear a bucket hat, cover up, wear sunglasses, use sunscreen and stay in the shade when possible.

Below is an activity you can try over the summer to prepare for the 2019-2020 school year.

Have a safe, active and happy summer!

Sincerely,

YCDSB Active School Travel Team
