- A. Plant some seeds in the ground or in a cup with soil. Choose a sunny area and water your seed everyday. When it blooms, it becomes a symbol of hope.
- B. Create a card for someone special with a message of hope.
- C. It is a tradition in the Church to pray the rosary during the months of October and May. Pray the rosary as a family and post a picture of your rosary.

You can use one of these quotes to help you decorate your card or the cup of soil:

Pray, hope, and don't worry. Worry is useless. God is merciful, and will hear your prayer. ~St. Padre Pio

Faith has to do with things that are not seen, and hope with things that are not at hand. ~St. Thomas Aquinas

Thank You!
