

SGA Catholic School Council presents:

# 2018 Poinsettia Order Form

*"The giver of every good and perfect gift has called upon us to mimic Gods giving by grace, through faith, and this is not of ourselves" - St. Nicholas of Myra*

How nice would it be if we could go to just one place for all my Christmas shopping? Well... we can't help with all your shopping, but we can help a little. This year SGA's CSC has put together a poinsettia sale with the proceeds going towards the purchase of technology for our school. These vibrant holiday favourite plants add warmth and colour to everyone's home or office. Once you complete the order form below, send it in with a cheque for the grand total and we'll have all your beautiful poinsettias ready for pick up from the school on the delivery date.

*Poinsettias are certainly a natural plant to associate with Christmas. They bloom during the Christmas season, and their star-shaped leaves call to mind both the star of Bethlehem and Christ himself who is called the "bright morning star." The poinsettia, which is native to Mexico, is called "Star Flower" in the language of the Aztec people. A charming legend spread throughout Mexico telling of how a simple weed was miraculously transformed into the first poinsettia plant on Christmas Eve.*
