

Dr. Karyn Gordon is coming to St. Gregory the Great!

Dr. Karyn has delivered over 1000 keynotes to more than ½ million people from 15 countries. Her clients include Fortune 500 companies, family businesses, government agencies, entrepreneurs, educational school-boards, and professional organizations (representing judges, doctors, surgeons, dentists, lawyers, accountants, engineers and more) as well as university and college faculties, and parenting engagement events within schools (K-12).

All of Dr. Karyn's keynotes teach the success principles of Emotional Intelligence. While her Organizational Keynotes focus on management and employee development topics within the workforce, her Educational Keynotes focus on career, parenting and marriage / relationship topics within families.
