

## INCLEMENT WEATHER REMINDERS

Please review the important inclement weather reminders below:

- 1) In the event that school transportation/busses is cancelled due to inclement weather and/or poor road conditions, schools remain open (unless otherwise communicated by the Director of Education). **Please note that if school transportation/busses are cancelled they will also NOT operate in the evening.**
- 2) Please use the **SAFE ARRIVAL SYSTEM** if your child(ren) is absent due to inclement weather. Students who are unable to attend due to bus cancellation must STILL be reported absent using the Safe Arrival System. It is extremely important that all student absences are reported. Thank you.
- 3) All Hot Lunch programs are cancelled on inclement weather days.
- 4) All tests, quizzes, excursions, trips, school programs/special activities, co-curricular activities, evening presentations, workshops, all continuing education classes, all permits, parent meetings including IPRCs will also be cancelled.
- 5) Please note that Before and After Programs in schools make every effort to remain open in inclement weather. **However, the decision to open or to close early is up to the discretion of the Child Care Operator.**
- 6) If school transportation is cancelled, information on bussing/transportation and inclement weather will be made available on our board website at [www.ycdsb.ca](http://www.ycdsb.ca) , our school website at [www.smo.ycdsb.ca](http://www.smo.ycdsb.ca) , our school twitter @SanMarcoCES, our board twitter @ycdsb, and/or [www.schoolbuscity.com](http://www.schoolbuscity.com). In addition, several radio and TV stations may also have information (see below).

As always, it is important that parents/guardians exercise discretion when deciding to send their child to school on Inclement Weather days. Thank you for your continued support and cooperation!
