November 5, 2018

Dear Parents and Guardians,

We hope your student has settled in to a routine at St. Robert Catholic High School. It is exciting to watch our children embark on either their first year of high school or add another year under their belt!

St. Robert CHS is proud to offer its' students the latest in resources and experiences to further prepare them for University, College, and the work place. Catholic School Council is dedicated in supporting Administration in fulfilling that vision. After consideration and review of the departmental needs of the school, Catholic School Council is asking for your support for the following resources and/or enhancements to our classrooms and learning environment.

We hope that through your donations we will be able to contribute to:

1. Innovative Classrooms
2. STEM (Science, Technology, Engineering, and Mathematics) Learning
3. Broadcasting

Your donations will directly support our students in gaining a competitive advantage when applying to post-secondary education and employment. Donations will provide the necessary equipment that will expose them to related fields. Their experience in class will give students a leading edge when they pursue education to fulfill their goal expectations.

Contributions will allow the school to purchase items that will enhance classrooms and program delivery and will benefit students in all grades. At this time, we are asking for a minimum donation of \$100/family – this will help us maintain our academic excellence. At present we stand at number 2 ranking according to the Fraser Report, we hope to achieve first place! Our students, with the support of St. Robert CHS staff, and program delivery, will surely be able to attain this ranking!

At this time, we wish to thank you for your consideration of this request. We invite you to see the attached Donation Form for additional information about your tax-deductible donation.

We wish you a wonderful 2018-2019 school year. God bless you and your family.

Meeta Kirkham
Catholic School Council Chair

Joe Servidio
Principal
