

School Climate Survey for Parents

April 8 - May 9, 2022

Ten Minutes

That's all it will take! Ten Minutes.

Please share your thoughts and ideas about making our school a caring and safe place to learn where all students can thrive and be successful.

The school climate survey for parents will allow us to:

- Understand what we do well and and what we need to improve
- Ensure that our schools are strong vibrant faith communities that are safe and caring for all students.

This survey is voluntary and confidential. No individuals will be identified. Only group information will be reported.

Survey opens:
April 8, 2022
