Actions our School Board Will Take to Improve

- Provide targeted instruction through Itinerant Reading and Math Facilitator Teachers to address gaps in early reading (Kindergarten–Grade 3) and support math improvement in priority schools (Grades 3, 6, and 9).
- Promote evidence-based literacy and numeracy practices through continuous professional learning.
- Curate and develop curriculum-aligned literacy and numeracy resources, including PD on the Fly videos and targeted supports for EQAO, on the Curriculum & Assessment website.
- Utilize UFLI Foundations (reading program addressing foundational skills for proficient reading) and Acadience (Ministry-approved reading screener), supported by teacher training, to strengthen early reading instruction through explicit, systematic, and data-informed practices.
- Leverage Knowledgehook, a digital math tool for K-10 teachers to measure growth, identify gaps in understanding, and support curriculum-linked practice at home for students, alongside corresponding teacher training.
- Support school-led collaborative projects through teacher teams to address Ministry priorities, including the implementation of newly released curriculum, continued literacy and numeracy improvement, and STREAM initiatives.
