Boundary Review Process

Boundary Review Process Planning Goals

To establish a school attendance area, the following must be considered:

1. Ensure appropriate accommodation for all students
2. Minimize unnecessary bussing
3. Identify physical barriers to school access (ie. major roads, railway tracks, hydro corridors, rivers, etc.)
4. Minimize boundary changes for growing areas
5. Maximize the use of all permanent school facilities to minimize portable placement

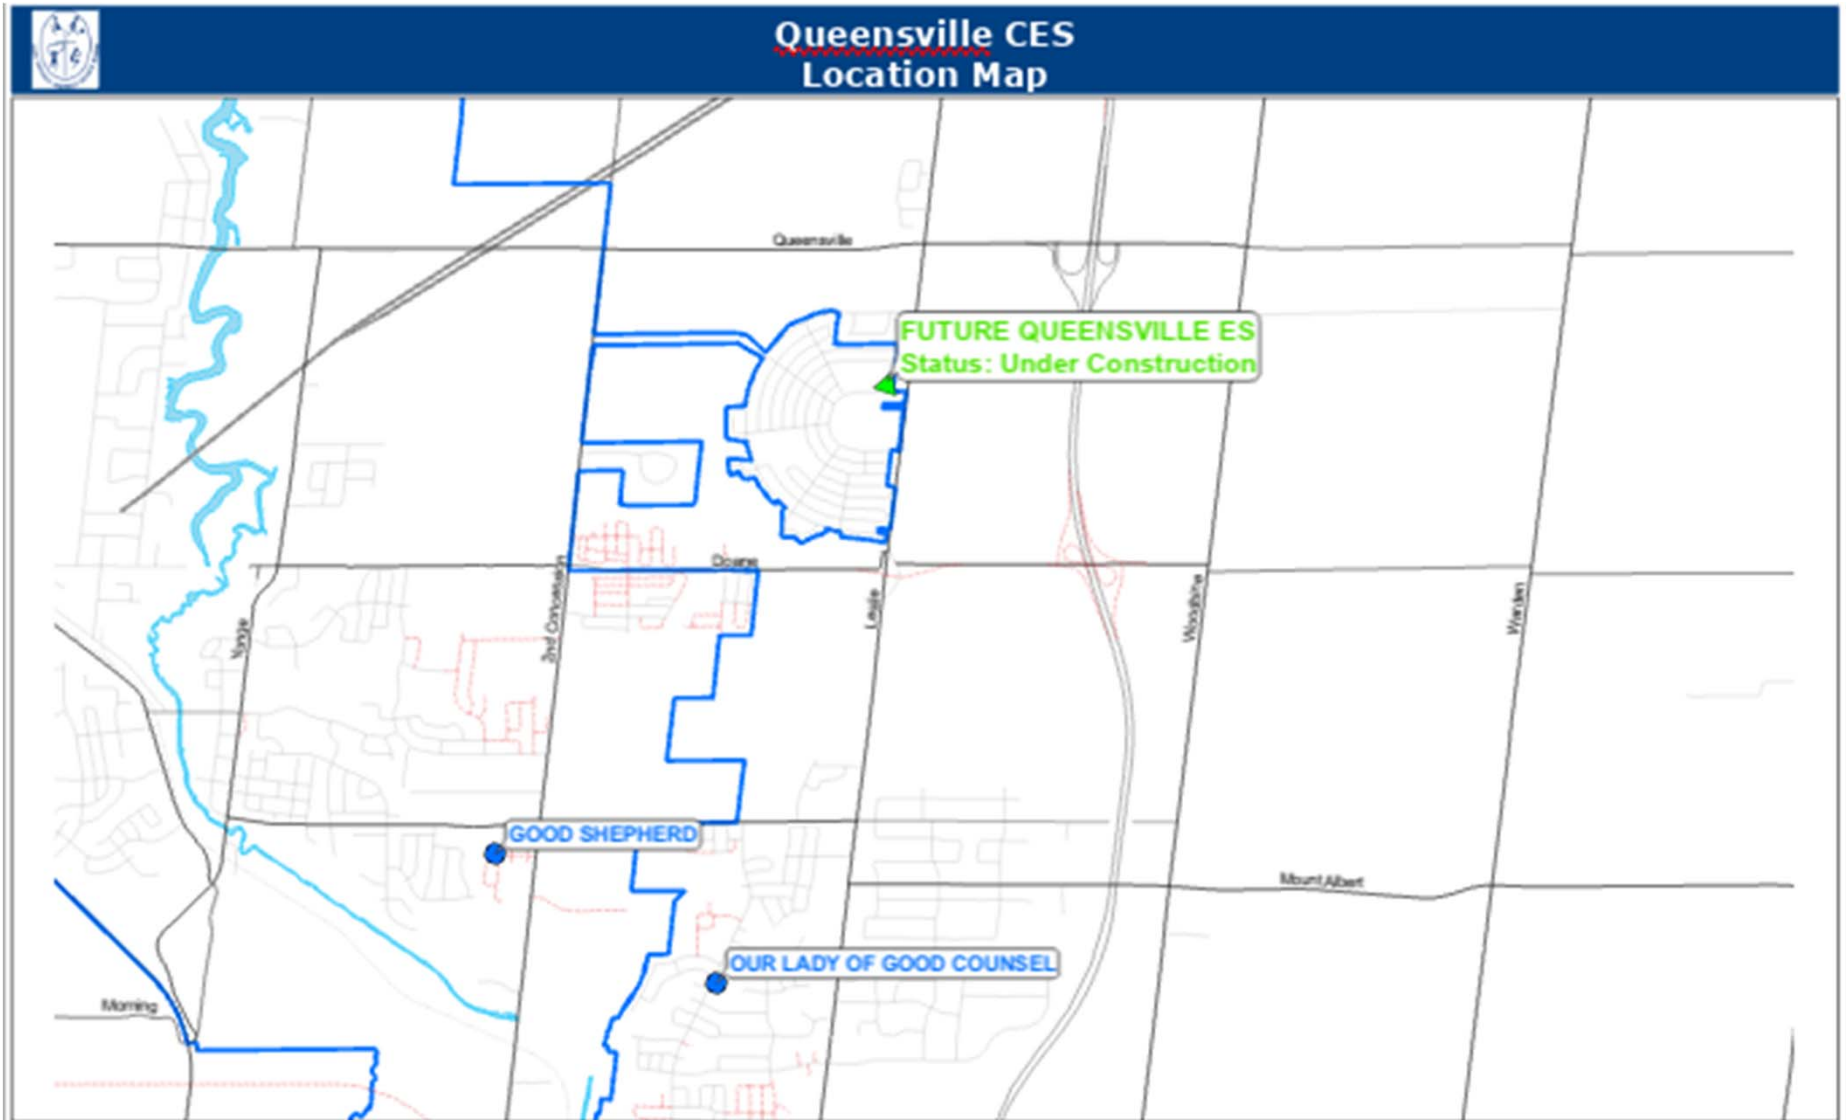

Background Information

- Our Lady of Good Counsel founded in 1959, relocated to Murrell Drive in 2017
- Good Shepherd opened in 1993
- Continued residential growth throughout the municipality
- Continued enrolment pressures
 - 4 portables at Good Shepherd
 - 6 portables at Our Lady of Good Counsel
- Funding approval for a school in Queensville
 - Construction commenced July 2025
 - **Anticipated Opening: September 2027**
