Residing with Parent***

I, _____ attest that I am living with my child _____
(Parent Name) (Student Name)

at _____
(Full Residential Address)

_____ & _____
(Parent EMAIL) (Parent PHONE NUMBER)

for the duration of their attendance at a York Catholic District School Board. I certify that I am accompanying my child to Canada, am living with them and will be the primary contact for the school and the board's International Education Department for the duration of their attendance at a York Catholic District School Board school.

I have not enlisted the services of a Custodian to interact with York Catholic District School Board Staff or to make any decisions on my child's behalf.

If at any point in time, my circumstances change and I plan to leave Canada, I am fully aware of and understand the Homestay & Custodianship requirements of the York Catholic District School Board and will enlist the services and pay for the cost of either Canada Homestay Network (CHN) or Muskoka Language International (MLI) in time to have the services available and in place before my departure date.

I will notify the school my child attends as soon as I am aware of my plan to leave Canada and as well, once I have made arrangements for new Homestay & Custodianship Services.
